

REMARKS

Figure 3 is being revised so that the "Q" block labeled 421 (which is a quantizer) is changed to be properly labeled as 321, and the "W" block labeled 422 (which is a filter) is changed to be properly labeled as 322.

The changes are being made so that the reference numbers of Figure 3 conform to the written specification (e.g., see paragraphs [0032]-[0040] of the application as originally filed). No new matter is being added by these amendments.

The Commissioner is authorized to charge any underpayment or credit any overpayment to Deposit Account No. 06-1325 for any matter in connection with this response which may be required.

Respectfully submitted,
